

REF: KPRL/SHUTTERING/18

SUB : POLYRIB BRAND RIPLA SHUTTERING

=====

Dear Sirs,

We are pleased to inform you that we are manufacturing Polyrib Brand Rippla Shuttering out of PP (Polypropylene) plastic material which is unbreakable, having excellent wear resistance, water repellent and provide smooth surface.

We are manufacturing Shuttering in following std size.

1230 x 2150 x 12 mm and above thickness

1230 x 4300 x 12 mm and above thickness

4 ft x 7 ft x 12mm, 25mm 1/2", 3/4", 1" thickness

Other sizes are available on demand.

You can get following extra advantages from Polyrib Brand Rippla Shuttering.

01. It is unbreakable
02. It is good for casting as material is non sticking
03. Oiling not required
04. It will not be destroyed
05. It will not be affected by Insects, Moth, Worm etc.
06. It can be used/Shifted from one project to another
07. It can be cut or joined according to requirement
08. Polyrib Brand Rippla Shuttering can be lined upon the M.S. Shuttering through Nut Bolt to Protect the M.S. Shuttering against the corrosion. Our this Sheet can also be used upon the M.S. Shuttering which is already 30-40% rusted and same will work satisfactorily like a fresh M.S. Shuttering. Polyrib Brand Rippla Shuttering is better than Wooden and M.S. Shuttering.

We now request you to please expedite your enquiry for the above enable us to submit our competitive offer. In case you need any other query or information please feel free to mail us at info@polyrib.com or visit us at www.polyrib.com
