

REF : KPPL/PALLETS/02

Sub : PLASCON BRAND POLYMER PALLETS

Dear Sirs,

We wish to inform you that our PLASCON Pallets are more superior to Wooden Pallets. A Comparison chart between PLASCON and Wooden Pallets is given below for your kind Consideration.

	<u>WOODEN PALLETS</u>	<u>PLASCON PALLETS</u>
Water Absorption	Yes	Water repellent
Life	Less	20 times more
Load carrying capacity	Low	Heavy
Impact resistance	Breakable	Excellent
Floor Damaging	Occasional	No damage
Inert to Chemical, Acid	Effective	No effect
Average Maintenance	75%	Nil or 10%
Downtime	Frequent	Negligible
Efficiency	Decreases	Increases

PLASCON Polymer Pallets give better life about four times more than Moulded HDPE Pallets and HDPE Pallets gets bend (Dishing). Our pallets are approved with various reputed industries like ,

IFFCO, Allahbad, Kandla, Breilly
Indo Gulf Corporation, Sultanpur
Hindstan Lever Ltd., Orai
Salora Interntional Ltd., Noida

Chambal Fertilizer, Kota
Gas Authority of India Ltd, Etawah
Maruti Udyog Ltd, Orai
BPL Refrigeration Ltd, Bangalore

We now request you to kindly favour us with your valued enquiry / order enable us to go with the processing of the same.

Thanking you,

For KBK Plascon Pvt Ltd
